Dated: **31-05-2024**

Subject: World Environment Day-2024 on 5th June and organizing summer camps w.e.f 5th June to 12th June 2024.
 Reference: DSEJ/Coord/13347-60 Dated: 28-05-2024.

Sir/Madam,

Apurpos to the subject and reference cited above, please find enclosed a copy of the communication received from Directorate of School Education, Jammu regarding the World Environment Day-2024 along with the enclosures.

As per the directions issued by the Ministry of Education, Gol, regarding The World Environment Day, which is to be celebrated on 5th June every year. The theme for this year is **“Land restoration, desertification and drought resilience”**. The summer camps will be organized for a duration of one week on the themes of mission life as per the schedule mentioned below:

| S.No | Theme of Mission Life | Date | Day |
|------|-------------------------------|------------|-----------|
| 1 | Adopt Healthy Lifestyle | 05-06-2024 | Wednesday |
| 2 | Adopt Sustainable food System | 06-06-2024 | Thursday |
| 3 | Reduce E-waste | 07-06-2024 | Friday |
| 4 | Reduce Waste | 08-06-2024 | Saturday |
| 5 | Reduce Energy | 10-06-2024 | Monday |
| 6 | Save Water | 11-06-2024 | Tuesday |
| 7 | Say no to single use plastic | 12-06-2024 | Wednesday |

In view of the above, all the HOIs are directed to conduct suggestive activities as per the directions enclosed regarding Eco- Clubs Sammer camps and submit the activity wise details (format enclosed below) along with relevant media (Pics and Videos) to this office through District In-charge Cultural Cell (DICC) Ms. Anu Radha on daily basis for its onward submission to higher authorities.

| S.No | Zone | No. of Schools Participated | Name of Activity | Activity Description | No. of Student Participated | No. of Teacher Participated | No. of Community members participated | Chief Guest If any |

Summer Camps w.e.f 5th June to 12th June 2024.**

Ref No: Edu/PD/SmS/Quality/Youth & Eco-Club/5341-43/2024-25 dated:17-05-2024.

Sir/Ma'am,

Apropos to the subject and reference cited above, please find enclosed a copy of the above mentioned communication along with its enclosure received from Directorate of Samagra Shiksha, J&K regarding the subject cited above.

World Environment Day is celebrated every year on **5th June**. This year's theme for **World Environment Day** is "**Land restoration, Desertification and draught resilience under the slogan-Our Land Our Future**". As per the directions issued by Ministry of Education, GoI, Summer Camps must be organized for duration of one week on seven themes of Mission LIFE viz:

1. Adopt Healthy Lifestyle.
2. Adopt Sustainable Food Systems.
3. Reduce E-waste.
4. Reduce waste.
5. Save Energy.
6. Save Water

W

7. Say no to single use Plastic.

As such you are requested to direct HOIs of all schools of your respective district to conduct suggestive activities as per directions enclosed and direct the district coordinators of Eco-Clubs to submit activity details along with relevant media (Pics and Videos) to this office by e-mail to innovationdsej@gmail.com on daily basis.

D O. No. 10-1/2024-EE.12(Eco Club)

Dear Colleagues,

The National Education Policy, 2020 emphasizes that "... certain subjects, skills and capacities should be learned by all students to become good, successful, innovative, adaptive and productive human beings in today's rapidly changing world. these skills include: environmental awareness including water and resource conservation, sanitation and hygiene." **Eco Clubs** in schools are an intervention under Samagra Shiksha to enable students to take up meaningful environment-friendly activities and projects, thereby developing sensitivity and an understanding for the ongoing environmental concerns and the right attitudes and disposition to address them. They are a forum through which students can reach out to influence each other and engage their parents and neighborhood communities to promote sound environmental behavior.

2. The idea of **LiFE (Lifestyle for Environment)** was put forward at COP26 in 2021 and India is since committed to promoting a healthy and sustainable way of living based on traditions and values of conservation and moderation as key to combating climate change. Mission LiFE is a global movement promoting sustainable lifestyles and mindful use of resources to conserve the environment. As part of activities of Eco Clubs, it is suggested that summer camps may be organized in schools under your jurisdiction during the upcoming summer vacations on the theme "**Eco Clubs for Mission LiFE**". The activities can ideally start on **World Environment Day** which is celebrated on **5th June** every year. The World Environment Day theme for this year is "**Land restoration, desertification and drought resilience**". The summer camps can be organized for one week keeping this theme in mind and devoting one day to each of the **seven themes of 'Mission LiFE'** viz. **Adopt Healthy Lifestyle; Adopt Sustainable Food Systems; Reduce E-Waste; Reduce Waste; Save Energy; Save Water; and Say No to Single Use Plastic**. I am enclosing a list of suggestive activities based on these themes that can be taken up during these summer camps.

3. Learning about renewable energy sources such as solar power; sources of water in the local ecosystem, testing the purity of water and water conservation; tree plantation etc. can be specially emphasized during these camps. Funds already given under the component of Ecoclubs in Samagra Shiksha could be utilized for this purpose. In order to create awareness about the programme and to sensitize teachers / educational administrators under your jurisdiction, you may like to

conduct prior workshops/hand-holding sessions. The camps can be popularized among school students through poster and painting competitions, debates etc. eminent environmentalists, academics and NGOs working in this field could be associated with the summer camps.

4. For the purpose of monitoring the program, a nodal officer may be appointed and his/her coordinates may be shared with us by 30th April, 2024. The nodal officer will be the single point of contact for schools of your State in facilitating the programme. The officer will be responsible for furnishing data at <https://docs.google.com/spreadsheets/dA3mepn-POg8gmyX5HR4D1Swob 0ztSgb15eORBNrFMwo/edit?usp=sharing>

Best wishes for better outcomes.

Encl. As above

Yours sincerely,

21/5/24
(Sanjay Kumar)

Suggestive activities for Schools during summer camps

Schools would be requested to carry out the following suggestive activities as per students' level/grade but not limited to during the summer camps.

- Adopt Healthy Lifestyles

- Organize nature walks for students to nearby ecosystems, thereby learning about environmental conservation practices.
- Conduct plantation drives focussing on area specific flora.
- Exploration visits to nearby villages/local tourist destinations. The class can be divided into groups and given tasks eg. exploring and discussing the locations a)ecology, b)history, c)geography, d)customs & traditions e)handicrafts etc.,

Metric; Number of saplings planted, number of visits organised.

- Adopt Sustainable Food Systems

- Involve students to create, revive and manage kitchen gardens within the school premises.
- If the school does not have the required vacant land, encourage use of old buckets, plastic bottles and earthen pots to grow the plants in any available space.
- Plant climbers to save space.
- Use compost created from the school's wet waste for the kitchen gardens, thereby avoiding chemical fertilizers and pesticides.
- Encourage students to make ecofriendly pesticides using waste eg. bio enzymes for kitchen garden.
- Keep a record of the plants grown on the campus and how much produce is harvested every month. The produce can be used internally for the PM Poshan meals, or distribution among the students and the staff.
- Organise exciting competitions like millet fancy dress to show students lifelong health benefits and environmental advantages of incorporating these super grains into their diet.
- Encourage students to take the learnings from these initiatives to their homes and replicate them.

Metric; Number of kitchen gardens created, amount of organic produce generated(kg)

- Reduce E-waste

- Conduct e-waste collection drives for appropriate disposal and reuse of electronic waste.

- Set up e-waste collection point in school to drop off old electronic gadgets.
- School authorities may collaborate with authorized e-waste collectors for safe disposal of collected items and maintain record of the collected e-waste.
- Schools may set up educational booths to show impact of e-waste on our planet.
- *Metric; amount of e-waste collected and handed over to the authorised dealer (number/kg)*
- Reduce Waste
 - Organise cleanliness drives involving students and the community to inculcate responsibility towards the environment.
 - Teach waste segregation for appropriate waste disposal.
 - Install two-bin system in all classrooms - for wet and dry waste.
 - If the amount of wet waste generated is not high, a common wet waste bin can be kept for 3, 4 classrooms.
 - Sanitary waste bins can be kept in washrooms for used sanitary napkins, diapers, etc.
 - On each dustbin, paste prompts like 'What can go in?' that will help students decide what can go in each bin.
 - Construct compost pits in schools to encourage waste segregation and use compost generated in the kitchen garden of the school.
 - Organise recycled waste art contests in schools to promote 3Rs i.e reduce, reuse and recycling of waste.
 - Organise donation drives to donate old clothes, toys, furniture etc.
 - Collected items may be distributed to needy people in the community or handed over to an NGO.
 - Organise interaction sessions with the rack pickers/ small junk shop dealers from the nearby locality where students may ask questions regarding where the waste goes, how they segregate waste, how items are re-cycled etc.

Metric; number of compost pits constructed, amount of organic waste generated.

- Save Energy
 - Encourage students to carry out energy saving activities like switching off tube-lights, bulbs, electronic gadgets when not in use.

- Establish *energy team* within eco-club.
- *Energy team* to carry out patrolling to ensure all electrical appliances are switched off after school hours.
- Make duty roster of eco-club team members for patrolling.
- Organise knowledge building sessions on renewable sources of energy may be organized in collaboration with NGOs, power departments etc.
- Create posters, banners and other visual materials and paste on the school notice board to raise awareness about the importance of energy conservation.
- Invest in solar panels.

Metric; reduction in electricity bills in school, units of solar power generated (incase solar panel installed in school)

- Save Water

- Involve students in tabulating water wastage in school.
 - Check for leaks in flush systems, faucets and water pipes and report to the eco-club teacher incharge.
- Students along with their teachers can collect water from nearby storage systems and carry out testswater purity. Appropriate arrangements can be made in school labs.
- Organise water conservation rally along with the community. Grandparents of the students may be called in the schools, where they can share water conservation practices adopted in the past and how students can be made more active towards saving water.
- Organise awareness sessions about rainwater harvesting system and its benefits.

Metric; number of leaks detected, reduction in water consumption over a week.

- Say No to Single Use Plastic

- Take "Say No to Plastic" Pledge - all students and teachers.
- Organise Plastic audits in the school premises
 - Make a list of single use plastic items used
 - Find out eco-friendly substitutes eg. steel mugs instead of styrofoam cups, and reusable water bottles instead of plastic water bottles.

- Generate awareness regarding the hazardous impact of single use plastic on our planet through activities eg. poster making, debates, slogan writing, essay writing etc.
- Put up the best posters on the school notice boards. (visual impact)
- Students may be involved in creating visual displays on school notice boards illustrating the effects of single-use plastic items.
- Awareness campaigns to mobilize the community for adapting ecofriendly habits like the use of jute bags, saying no to single use plastic, buying local and nature friendly goods and so on.

Metric; amount of single use plastic collected, number of plastic water bottles replaced etc.,

A nodal officer may be appointed at State to collate all the activity details and fill in the google tracker.
